### Asia to New Zealand Schedule Adjustment ANZL

**11<sup>th</sup> February 2020**

Due to the Australian Government authorities' new border measures that require the stipulation of all ships travelling from China to Australia must have a minimum of 14 days transit between the last port in China and the first port of arrival in Australia.

Our Asia to Australia/ New Zealand - ANZL service will extend the transit between Hong Kong and Brisbane by 7 days until further notice.

To offset this delay and disruptions at subsequent ports, the decision has been made to slide the schedule for 1 week.

The first vessel impacted will be the TOUCAN HUNTER 066S with her ETA Brisbane and New Zealand deferred 1 week.

We regret for any inconvenience this delay may cause.

Thank you for your continuous support of our services and please contact your local Hamburg Süd representatives should you require more information.
