

Pacific Coast – South Seas Service

(San Francisco, CA)... Hamburg Süd will be phasing in the container ship “*Petkum*” (Capacity 1300 teu nominal) on November 19, 2020 in Long Beach, CA. She will be replacing the “*Fesco Askold*” which will leave the service after discharge in Oakland on November 21, 2020.

The new ship has a speed of 20 knots and is fully geared with a reefer capacity of 250 plugs.

Hamburg Süd has been serving the South Pacific since 1957. A dedicated team domiciled in our San Francisco, CA office provides a full service product for containerized dry and reefer cargo as well as non-containerized freight to and from Tahiti, American Samoa, Samoa, Fiji, Tonga and the Cook Islands.

Hamburg Süd is committed to providing our South Pacific customers the best possible transportation services.
