South China Barge Services Adjustment During Lunar New Year

Due to limitations of crew resources as a result of COVID-19, Hong Kong barge service providers have officially announced that coverage to and from Chinese inland ports will be unavailable from 20 January 2021 until the end of February.

Compared to previous years, the suspension of services has been advanced by 2 weeks to account for the quarantine requirements the governments have imposed to prevent further spread of COVID-19.

During this time, alternative transshipments services via Chiwan/Shekou or Nansha are available.

For the below inland locations, since there are not alternative solutions for neither export nor import shipments, please expect longer layovers and or delays to your shipments. Furthermore, we will temporarily suspend acceptance of import special cargo (reefer, DG, OOG, etc).

Fangcheng, Qinzhou, Beihai, Zhanjiang, Yangpu, Haikou, Shantou, Shuidong, Lianhuashan, Xintang, Jiaoxin, Wuzhou
